March 18-21 will be a week for make-up exams if necessary and we will also have some celebrations!

## Course Requirements

**Expectations:** I expect all students to respect each other and to respect the teacher. Come to class with a positive attitude toward learning. *Participate* in class activities. Don't be afraid to make mistakes! That's how we learn! While you are in class, you will try to speak only English. I will work hard for you if you work hard for me.

**Cell-Phones:** As a rule of the Galileo Learning Centre, there is to be no cell phone usage in class. I encourage all of you to buy an English dictionary if you like to work with a translator. There is no texting or speaking on the phone in class. It is distracting to others in the class.

**Food:** As a rule of the Galileo Adult Education Centre, you are not allowed to eat food in the classroom. You may drink water if it is in a bottle that can be closed. You may also drink coffee but only if it is in a reusable thermos. You can purchase a Galileo thermos for only \$5!!

**Leaving Early:** We all want to leave early sometimes. However, it is very distracting and disruptive for the remaining students in the class. If you come to class, please respect that the class finishes at 9PM. If you need to catch a bus, please inform the teacher at the beginning of the semester.

**Attendance: DO NOT MISS FIVE CLASSES IN A ROW.** If you are going to miss class for some reason, please let me know in advance using either Whatsapp, or the contact form on our class website. If you miss three classes consecutively, I will call you. If you miss five classes consecutively, you will be removed from the class. Come to class at 6pm. I will start the lesson no later than 6:15 pm. **Every class is important as we are covering a lot of material each night.**

**Textbooks:** All of you will receive a Textbook. Once you have opened the package, the books are non-returnable. If you have to move to a new class level, you will have to purchase new books at full price.

**Homework:** Occasionally, I will assign activities for practicing the target language that we cover in class during the week.

**Quizzes:** We will have a quiz every two weeks.

*If you try your best and come to class with a positive attitude, I guarantee that you will learn a lot and have a great experience! I look forward to working with all of you over the next few months!*
