Audio Transcript:

When I was a kid, I went to Italy with my mother. My mother's friend let us stay with her in a big house. It was so beautiful. I drank my first sip of red wine and took a gondola ride. When I was there, I met a girl from Vancouver who was travelling with her father. Her name was Kala. That was in 1986 and we still send emails to each other once a week.

Last summer, I went to Paris with my wife and kids. My son's name is Brandon. Brandon hated flying and got really sick on the plane. My daughter's name is Oprah. She slept the whole flight and didn't complain once! When we got there, we visited the Eiffel Tower and ate a lot of cheese and baguettes. But I don't speak any French so I was happy to get back home to Texas.

In 2005, my brother and I backpacked across Europe. It was amazing. We met so many cool people. He actually met his wife in Poland. Her name is Agata. She is really nice. My favourite place was Spain because I loved the beaches. I love swimming and fishing. I want to go back in 2020. Maybe I will meet my wife!
